### **Introduction/Firm Overview**

#### **Putting the "V" back in VAR!**

Extend Networks is a proven technology solution partner. We deliver innovative infrastructure solutions for your mission critical network. A reputation for designing and implementing leading edge, end-to-end technology solutions for enterprises, service providers, technical computing companies and e-businesses in the Pacific Northwest.

Extend is owned and operated exclusively out of Bellevue, Washington. That means keeping jobs and money right in our own backyard - not sending it off to California or back east. When you choose a local company - you help our region grow.

**Expect the Best**

Delivering the best service means having the best people. Extend was spearheaded on by the concept of delivering leading edge solutions, acting as a true extension of the manufacturer.

**Number of Employees:** 11

**Certification Number:** W2F6720753
